MODEL PRESENTATION

MPT STUDENTS (Postgraduate Category)

Rules and Regulation

- ONLY ONE TEAM PER COLLEGE.
- Max 2 participants per team (1st year, 2nd year, 3rd year, 4th year and intern BPT Students)
- Entries must be submitted on the college letter head, duly signed and stamped by the Principal. A scan copy of this letter must be uploaded while registering through Google form.
- Objective: To showcase advanced understanding, innovation, and clinical application.
- Models may be working prototypes, innovative rehabilitation devices, or clinical treatment concepts.
- Should demonstrate advanced knowledge, innovation, and evidence-based application.
- Models must highlight research integration, problem-solving, or patient-oriented outcomes.
- Materials used should be safe, cost-effective, and student-prepared (ready-made kits not allowed).
- Maximum display space: 3 ft × 3 ft (with power supply, if required).

Note:

- Registration in JG PHYSIOCON 2026 is compulsory for participating in scientific events.
- Student/Staff ID Proof is required during the event.
- Participants have to be present 30 minutes before the scheduled event time.
- A Certificate will be issued to the presenting participants only.
- Models must be safe, portable, and manageable within the allotted space.
- Use of unsafe materials is strictly prohibited.
- The Judge's decision will be final and binding.
- To register in scientific event scan below QR code and send your Model title before 10th January, 2026
